The term "Latin America" primarily refers to the Spanish and Portuguese-speaking countries in the New World. Before the arrival of Europeans in the late 15th and early 16th centuries, the region was home to many indigenous peoples, a number of which had advanced civilizations, most notably from North to South; the Olmec, Maya, Muisca and Inca.

If you have gone through a traumatic experience, it is normal to feel lots of emotions, such as distress, fear, helplessness, guilt, shame or anger. You may start to feel better after days or weeks, but sometimes, these feelings don't go away. If the symptoms last for more than a month, you may have post-traumatic stress disorder or PTSD.

When private interests need a political favor, they know whom to call. When politicians need money, they also know whom to call. The people involved try to keep most of it concealed behind closed doors. This is the

system that prevailed in Russia after the fall of Communism. But increasingly it is America's system as well.
