20 Soccer Attacking Drills Obviously there isn't a lot of scoring in soccer. So when a team gets a chance to attack and score, they need to do their best to capitalize and put the ball in the net. An effective attack takes everyone on the team working as one solid unit. All the players have roles that they must fill. And if everyone does their roles perfectly the odds are much better that a ...

### **Attacking | Soccer Coach Weekly**

The soccer end zone game is a great soccer drill that will help coaches focus on all aspects of attacking and defending in soccer. With incorporating end zones into the game, it gives players a chance to learn to attack space behind the defense and allows defenders to learn how to deny space behind them.
