Secondary education covers two phases on the International Standard Classification of Education scale. Level 2 or lower secondary education (less common junior secondary education) is considered the second and final phase of basic education, and level 3 (upper) secondary education is the stage before tertiary education.

Secondary education - Wikipedia

The pre-primary stage is the foundation of children's knowledge, skills and behaviour. On completion of pre-primary education, the children are sent to the primary stage but pre-primary education in India is not a fundamental right.
