Use the UST Data Management System in Key Actions below to register underground storage tanks with MassDEP, notify the agency of changes in their status, and report the results of third-party inspections.

MassDEP Underground Storage Tank (UST) Program | Mass.gov

Yes, you can, but first it might be easier to use 'Autolt' as a prototyping script first to find the application. Look for the handle of the window of that application, enumerate through that window's child controls, look for that text box specifically and the button...once Autolt prototype works, then dive into the real coding and it would
